Chico Chamber Releases 2nd Camp Fire Workforce Impact Survey

March 15, 2019, CHICO, CA The Chico Chamber of Commerce has released a **Camp Fire Workforce Impact Survey - 2019 Quarterly Update**. As our community recovers from the recent Camp Fire, it is the Chamber’s priority to make sure we continue to recognize the loss of housing and the impact on our Chico business community. The responses from this survey will help the Chamber learn about the most current needs of our businesses and workforce. Click here for survey: [Camp Fire Workforce Impact Survey – 2019 Quarterly Update](#).

This survey is a follow up to the initial Camp Fire Workforce Impact Survey released to the Chico community in December 2018. The responses from this survey will help the Chico Chamber learn about the most current needs of our businesses and workforce utilize our resources to best support our business community. We appreciate our local businesses taking the survey.

For more information about this survey or how the Chico Chamber is “leveraging the voice of business for community good” please visit www.chicochamber.com or call 530.891.5556.
