Chico Chamber Releases 3rd Camp Fire Workforce Impact Survey

July 15, 2019, CHICO, CA The Chico Chamber of Commerce has released a 3rd quarter **Camp Fire Workforce Impact Survey**. As our community continues to recover from the recent Camp Fire, it is the Chamber’s priority to make sure we continue to recognize the loss of housing and the impact on our Chico business community. The responses from this survey will help the Chamber learn about the most current needs of our businesses and workforce. Click here for survey: [Camp Fire Workforce Impact Survey – July 2019 Quarterly Update](#).

This survey is a follow up to the initial Camp Fire Workforce Impact Survey released to the Chico community in December 2018 and March of 2019. The responses from this survey will help the Chico Chamber learn about the most current needs of our businesses and workforce utilize our resources to best support our business community. We appreciate our local businesses taking the survey.
