Chico Chamber of Commerce Participates in Butte County Restaurant Week

January 9, 2020 – The second annual Butte County Restaurant Week is scheduled for January 17 - 26, 2020. As part of Visit California’s Restaurant Month, the Perfect Pairings-themed event will feature prix fixe food and/or drink pairings created especially for the week. Explore Butte County (EBC) is working with the Downtown Chico Business Association, **Chico Chamber of Commerce**, Oroville Area Chamber of Commerce, Downtown Oroville BID, Gridley Biggs Chamber of Commerce, and Paradise Ridge Chamber of Commerce to coordinate the efforts throughout the county. Restaurant Week is designed to bolster the economic vitality of Butte County and elevate Butte County in the California culinary narrative.

“The Chico Chamber is looking forward to Butte County Restaurant Week and the opportunity to support our local restaurants. We also find this to be a great partnership with Explore Butte County, Downtown Business Association and the surrounding area chambers of commerce. We encourage the Chico community to participate, discover a new restaurant, or uncover a new culinary pairing at their current local favorite.” – Katy Thoma, President & CEO, Chico Chamber of Commerce & Visitor Center

There are 25 area participating restaurants including Chico Chamber members: Almendra Winery & Distillery, La Hacienda, Madison Bear Garden, Mom’s Restaurant, Sin of Cortez, The Allies Pub, and Woodstock’s Pizza. All participating Butte County Restaurant Week restaurants and their perfect pairings are listed at www.explorebuttecounty.com/restaurantweek.
